OBJECTIVE

Highly motivated and goal-focused individual seeking a challenging position in the field of technology where I can utilize my technical expertise, problem-solving abilities, and analytical skills to contribute to the success of the organization.

EXPERIENCE

STI College of Caloocan Capstone Project | Electronic BackPack   **2022 - 2023**

Project Documentor

- Contributed significantly to the development of the Electronic
- Backpack system by working on both its hardware and software parts. Contribute my knowledge in Python, HTML, CSS, and PHP to create essential features for the capstone project.
- Assigned as the Project Documenter of the group responsible for recording and compiling all the relevant information, progress, processes, and outcomes of the capstone project.

Huawei (Practicum)   **July - August 2022**

Huawei Talent

- Automating cloud processes.
- Navigate cloud platforms, deploy resources, and effectively manage cloud services.
- Monitoring and troubleshooting cloud.
